

The Nature of Plants

Course Syllabus

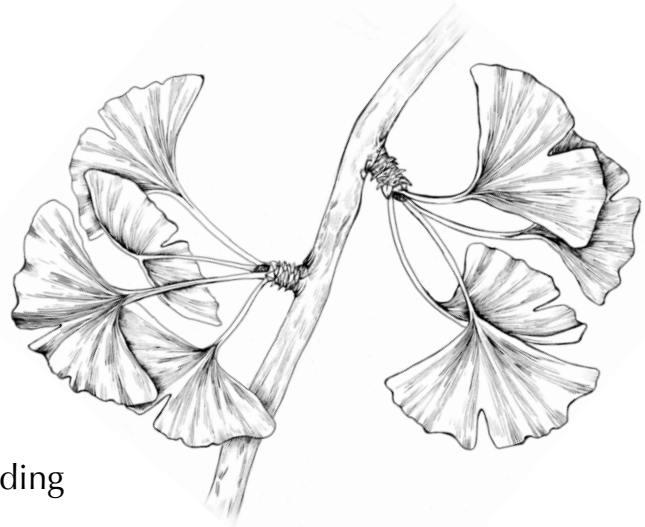

A 5 Session, 10 Week Course in Plant Biology
Offered by the U.C. Santa Cruz Arboretum

Instructor: Dr. Matt Ritter
mritter@calpoly.edu, 805.550.7033

Course Schedule:

Five Saturdays, 9 to 11 AM

U.C. Santa Cruz Arboretum Horticulture II Building

1. Saturday Oct. 17 Plant Morphology: Connections Between Form and Function
2. Saturday Oct. 31 Plant Reproduction: From Flowers to Fruit
3. Saturday Nov. 21 Plant Taxonomy: Understanding and Organizing Diversity
4. Saturday Dec. 5 Plants, People, and Civilization: Human Plant Interactions
5. Saturday Dec. 12 Plant Biogeography: Plants and Gardening in Mediterranean Climates

Each course session will include a lecture component and field trip in the arboretum. Please dress comfortably and wear appropriate shoes. Rain does not cancel the session.

Registration Fee: \$40 for the public, \$30 for Arboretum Members, and \$20 for UCSC students. Includes all course supplies and reading material.

To register call 831.427.2998 or email arboretum@ucsc.edu
