

UC Santa Cruz Arboretum and Botanic Garden Presents

The Volunteer Enrichment Series

Winter & Spring 2018

Want to learn more about the Arboretum's amazing plant collections?

Join us for 1 or 2 or all of the classes in the series! All classes FREE and will be open to the Public, following a short priority registration for current Arboretum Volunteers.

Exploring Amazing Australian Plants

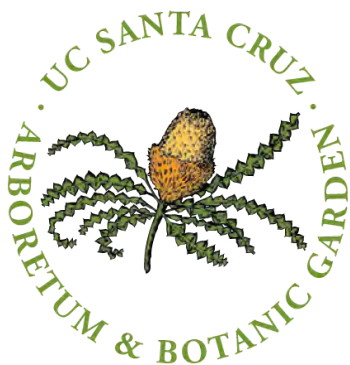

with Curator of the Australian Collection Melinda Kralj

Wednesday | March 21 | 10am - 2pm

Horticulture 2 building
with tour of the
Australian Garden

Join us to learn a bit about Australia,
and revel in the beauty and diversity
of it's amazing flora.

The UCSC Arboretum has the largest
collection of Australian plants outside
of Australia. Bring your questions!

2018 Class Schedule:

**Nursery Tour & Propagation Demonstration with
Helen Englesberg - March 28 - 1pm - 3pm (class limited to 15 persons)**
