

UC Santa Cruz Arboretum and Botanic Garden Presents

The Volunteer Enrichment Series

Winter & Spring 2018

Want to learn more about the Arboretum's amazing plant collections?

Join us for 1 or 2 or all of the classes in the series!

All classes FREE and will be open to the Public, following priority registration for current Arboretum Volunteers.

Native Plant Program

with N.P.P. Director Brett Hall

Thursday | March 1 | 10am - 2pm

Horticulture 2 building

with tour of the

California Native Conservation Garden

Join us for an overview of the Native Plant Program - its staff and students' work in conservation, garden and collection development, projects, field work and collaborations with other organizations and institutions.
