UC Santa Cruz Arboretum & Botanic Garden Presents

Nature Crafts Workshop
Pine Needle Basketry
Sunday April 29th, 2018 10am to 2pm

Participants will explore the ancient art of coiled basketry, the importance of local botanical resources stewardship, and create a hand-crafted basket featuring unique Arboretum fibers. Everyone will get to take home their completed basket, a tapestry needle to start their next project, and an illustrated yet simple guide on how to create additional coiled baskets.

Reserve your space now at
https://arboretum.ucsc.edu/news-events/events
Cost $45 for members/ $60 for non-members + $8 materials fee
Ages 9 & up, class size is limited to 15

Instructors: Kate Jaffe and Elizabeth Evans

Kate Jaffe is the director of Santa Cruz Kids in Nature, an alumna of UC Santa Cruz, and a certified California Naturalist that has been teaching in farms, gardens, and forests since her sophomore year of high school. Weaving textiles and baskets is a long time love of hers and she is excited to share it with you!

Elizabeth Evans is the Interpretive Program Supervisor for Santa Clara County Parks, a UC Santa Cruz alumna, and a certified California Naturalist. She has utilized her degrees in earth science and visual arts to connect people with the natural world through her work in national parks, schools, museums, and nature centers.
