

UC Santa Cruz Arboretum & Botanic Garden

California Native Plants that Attract Hummingbirds

Please call Norrie's Gift Shop at UC Santa Cruz Arboretum at 831-502-2999, for availability of plants for sale.

Shrubs

<i>Arctostaphylos</i> sp. (manzanita)	<i>Ribes malvaceum</i> (chaparral currant)
<i>Comarostaphylis diversifolia</i> (summer holly)	<i>Ribes sanguineum</i> (pink or red flowering currant)
<i>Galvezia speciosa</i> (island snapdragon)	<i>Ribes speciosum</i> (fuchsia-flowered gooseberry)
<i>Galvezia juncea</i> (Cedros Island snapdragon)	<i>Salvia apiana</i> (white sage)
<i>Lavatera assurgentiflora</i> (island mallow)	<i>Salvia clevelandii</i> (cleveland sage)
<i>Lepechinia calycina</i> (pitcher sage)	<i>Salvia leucophylla</i> (purple sage)
<i>Lonicera involucrata</i> (twinberry)	<i>Trichostema lanatum</i> (wooly blue curls)
<i>Keckiella cordifolia</i> (heartleaf keckiella)	<i>Vaccinium ovatum</i> (huckleberry)
<i>Mimulus</i> sp. (monkeyflower)	
<i>Monardella villosa</i> (coyote mint)	

Perennials

<i>Aquilegia formosa</i> (columbine)	<i>Mimulus cardinalis</i> (scarlet monkeyflower)
<i>Castilleja</i> sp. (Indian paintbrush)	<i>Mimulus guttatus</i> (seep monkeyflower)
<i>Cirsium occidentale</i> (cobweb thistle)	<i>Penstemon centranthifolius</i> (scarlet bugler)
<i>Cynoglossum grande</i> (hound's tongue)	<i>Penstemon heterophyllus</i> (foothill penstemon)
<i>Delphinium cardinale</i> (red larkspur)	<i>Penstemon spectabilis</i> (royal penstemon)
<i>Dicentra formosa</i> (bleeding heart)	<i>Salvia spathacea</i> (hummingbird sage)
<i>Epilobium</i> sp. (= <i>Zauschneria</i> sp., California fuschia)	<i>Satureja mimuloides</i> (monkeyflower savory)
<i>Heuchera</i> sp. (coral bells)	<i>Scrophularia californica</i> (California figwort)
<i>Hoita macrostachya</i>	<i>Silene californica</i> (catchfly)
<i>Isomeris arborea</i> (bladderpod)	<i>Silene laciniata</i> (catchfly)
	<i>Stachys bullata</i> (wood mint)

Trees

<i>Aesculus californica</i> (California buckeye)	<i>Arbutus menziesii</i> (madrone)
<i>Chilopsis linearis</i> (desert willow)	

Bulbs

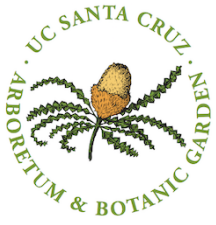

<i>Dichlostemma ida-maia</i> (firecracker flower)	<i>Lilium</i> sp. (Humbolt lily, leopard lily)
---	--

Succulents

<i>Agave</i> sp. (agave)	<i>Dudleya</i> sp. (live-forever)
--------------------------	-----------------------------------

Vines

<i>Lonicera hispidula</i> (vine honeysuckle)
--

UC Santa Cruz Arboretum & Botanic Garden

Selected Plants that Attract and Provide Nectar for Hummingbirds

- Adenanthos X cunninghamii*
Aesculus californica * (California Buckeye)
Aloe, various species
Anigozanthus flavidus (Kangaroo Paw)
Aquilegia formosa * (Columbine)
Arbutus menziesii * (Madrone)
Arctostaphylos insularis * (Manzanita)
Arctostaphylos pajaroensis * (Manzanita)
Arctostaphylos silvicola * (Manzanita)
Banksia ericifolia
Banksia spinulosa
Beaufortia sparsa
Beaufortia squarrosa
Buddleia davidii (Butterfly Bush)
Buddleia lindleyana (Butterfly Bush)
Callistemon citrinus (Bottlebrush)
Callistemon — various species and cultivars (Bottlebrush)
Canna sp
Cestrum elegans
Clarkia sp * (Farewell to Spring)
Correa 'Harrisii' (Australian Fuchsia)
Correa pulchella (Australian Fuchsia)
Correa reflexa (Australian Fuchsia)
Daphne odora
Delphinium cardinale * (Larkspur)
Dicentra formosa * (Bleeding Heart)
Dudleya cymosa ssp *pumila* * (Live Forever)
Dudleya lanceolata * (Live Forever)
Dudleya pulverulenta * (Chalk Dudleya)
Echeveria — various species and hybrids
Grevillea speciosa ssp *oleiodes*
Grevillea thelemanniana
Grevillea victoriae var *leptoneura*
Hesperaloe parviflora
Hoita macrostachya
Iochroma cyanea
Keckiella cordifolia
Lavatera assurgentiflora *
Lepechinia hastata
Lilium pardalinum
Lobelia laxifolia
Lonicera involucrata *
Lonicera — various species
Melaleuca fulgens
Melaleuca steedmanii
Mimulus aurantiacus * (Monkey Flower)
Mimulus cardinalis * (Monkey Flower)
Mimulus flemingii * (Monkey Flower)
Mimulus longiflorus * (Monkey Flower)
Mimulus puniceus * (Monkey Flower)
Penstemon centranthifolius *
Penstemon newberryi *
Penstemon pinifolius *
Penstemon spectabilis *
Phormium tenax (New Zealand Flax)
Phygelius capensis
Prostanthera aspalathoides
Ribes sanguineum var *glutinosum* * (Red Flowered Currant)
Ribes sanguineum var *sanguineum* * (Pink Flowering Currant)
Epilobium (Zauschneria) canum — various species*
Eremophila maculata — red flower
Erica bauera (Heather)
Erica cerinthoides (Heather)
Erica cruenta (Heather)
Erica curviflora (Heather)
Erica speciosa (Heather)
Fuchsia arborescens
Fuchsia lycoides
Fuchsia magellanica
Fuchsia microphylla
Fuchsia regia
Fuchsia — various species
Galvezia speciosa * (Island Snapdragon)
Grevillea 'Boongala Spinebill'
Grevillea 'Canberra Gem'
Grevillea 'Clearview David'
Grevillea 'Ivanhoe'
Grevillea 'Long John'
Grevillea 'Mason's Hybrid'
Grevillea 'Pink Pearl'
Grevillea 'Red Hooks'
Grevillea 'Robyn Gordon'
Grevillea 'Ruby Clusters'
Grevillea alpina
Grevillea aspleniifolia
Grevillea lavandulacea 'Penola'
Grevillea rosmarinifolia 'Scarlet Sprite'
Grevillea sericea
Grevillea shiressii
Ribes speciosum * (Fuchsia Flowered Gooseberry)
Salvia 'Costa Rica Blue'
Salvia 'Mister Jules'
Salvia 'Phyllis' Fancy'
Salvia 'Purple Majesty'
Salvia apiana * (White Sage)
Salvia elegans (Pineapple Sage)
Salvia gesneriiflora
Salvia greggii
Salvia guaranitica
Salvia hallowayii
Salvia leucantha (Mexican Sage)
Salvia microphylla
Salvia spathacea * (Hummingbird Sage)
Salvia wagneriana
Silene californica *
Silene laciniata *
Tecomera capensis
Trichostema lanatum * (Woolly Blue Curls)
